Privacy Policy

At Endersham Cleaning Services we are very conscious of the need to protect your privacy.

Only basic information will be requested. We do not collect sensitive personal information about you.

The details we hold are for our own purposes only – we do not share them with any other companies.

We may use technology to track the patterns of behaviour of visitors to our site. This can include using a “cookie” which would be stored in your browser. The information collected in this way can be used to identify you unless you modify your browser settings.

From time to time, we may email you with details of featured services and offers. The emails will only relate to services we provide and in which, by virtue of having placed an order or registered with us, you have shown an interest.

You will always be given the opportunity to refuse these emails in the future and be removed from our mailing list.
